

Glenda Snodgrass
The Net Effect

Glenda R. Snodgrass has been President, lead consultant and project manager at The Net Effect since the company's inception in 1996. Ms. Snodgrass is primarily engaged in cyber security training, threat analysis and mitigation for commercial, nonprofit and governmental organizations. In addition to conducting security-related workshops, corporate training and delivering cyber security defense presentations at professional conferences and conventions, she spends time drafting network security procedures and developing employee security awareness training programs for clients.

A frequent contributor to Tripwire's The State of Security and Business View magazine, she also provides expert witness testimony in technology related court cases. Her dynamic personality and effective teaching style have made her a soughtafter public speaker and corporate trainer for more than twenty years.

Currently President of Gulf Coast Industrial Security Awareness Council, Vice Chair of Mobile Chapter 117 of the American Society for Industrial Security (ASIS International), member of the steering committee for Gulf Coast Technology Council, and serving on the Board of Directors of the Mobile Area Chamber of Commerce. Ms. Snodgrass is also an active member of InfraGard and recently graduated from the FBI Citizens' Academy. She holds a B.A. from the University of South Alabama (1986) and a maîtrise from Université de Paris I PanthéonSorbonne in Paris, France (1989).
